

# Tiger-tec<sup>®</sup> Silver Promotion 2010

**\_OFERTA: 1 FRESA + 10 INSERTOS**

## **Tiger·tec®Silver – Única no mundo!**

até **100%**  
mais  
produtividade

Graças à nova e única tecnologia de cobertura CVD, a Tiger·tec®Silver está moldando dimensões completamente novas na usinagem, com aumentos de produtividade de até 100%

As vantagens decisivas desta nova tecnologia são:

- Altas velocidades de corte devido a um processo de cobertura CVD completamente inédito, que une resistência ao desgaste e tenacidade.
- Alta vida útil graças à melhor resistência às variações térmicas durante a usinagem com e sem refrigeração
- Alta segurança de processo devido à enorme tenacidade e mínima formação de trincas térmicas (tensões reduzidas)

### **Pacote 1:**

**1 fresa octogonal Xtra·tec® F4080  
10 insertos intercambiáveis octogonais**

### **Pacote 2:**

**1 fresa 90° Xtra·tec® F4042  
10 insertos intercambiáveis AD**

 **WALTER**

**\_Oferta: 1 fresa F4080 + 10 insertos**
